Dr. Brian Brotschul - Superintendent of Schools
Ms. Cande Kristoff – Business Administrator
Mrs. Christine DeSimone – Director of Curriculum & Instruction
Dr. Lisa Della Vecchia –Director of Student Services

February 28, 2020

Dear Parents and Guardians,

I am certain that families in Delran Township are concerned about the current status of COVID-19 disease.

I am writing to assure you that Delran Township Public Schools continues to take the necessary precautions pertaining to COVID-19. Continuing to be vigilant, however, includes cooperation and understanding from you as parents.

The District has multiple policies and procedures regarding communicable diseases and how to proceed if posed with particular cases. In addition, we continue to follow the Center for Disease Control and NJ Department of Health recommendations for reducing the spread of a communicable disease like COVID-19.

I write to reinforce ways that you can reduce the spread of viruses in our schools or community:

- Wash hands with soap and water
- Stay home when you are sick
- Teach your child the proper use of hand sanitizers
- Cover coughs and sneezes
- Keep children home when sick

The District continues to work with its partners at the Department of Education, the Center for Disease Control and Department of Health. As further guidance becomes available we will communicate that outward.

In the meantime, [HERE](#) is information regarding communicable diseases from the NJ Department of Health for your consideration.

Sincerely,

Brian Brotschul, Ed. D.
Superintendent
