District Goals:

Student Achievement: Decrease achievement gaps between all student demographic subgroups in the area of literacy and math as evidenced through benchmark assessment and all data sources.

College and Career Preparedness: Support environments that prepare all students for college and career competencies through the development and expansion of programming in the areas of literacy, arts and industrial arts as well as science technology, engineering and mathematics (STEM).

Student Integration: Increase opportunities for special education and English language learner programs in the least restrictive environment (LRE) through the enhanced use of differentiated instruction in all settings.

Community Engagement: Prioritize timely collaboration with parents through frequent and ongoing communication that provides information on coursework, assessment, homework, projects, school/classroom events and other school related information.

Finance and Operation: Develop a cost effective operating budget that promotes educational programming, district infrastructure, facilities maintenance and grant funding procurement.
