52 Hartford Rd., Delran NJ, 08075

"dedicated to nurturing a supportive, student-centered environment where all people are treated with dignity and respect"

May 15, 2020

Dear Parents and Guardians,

I am writing to offer you an update regarding the state of the District as it relates to the continued closure of all schools in New Jersey and its impact on Delran Township Public Schools.

Phase III of Remote Instruction

The District will continue to implement its remote instruction plan without modification.

Attached to this email are specific details regarding all components of the remaining days of the school year and the corresponding closeout. I understand you have questions; we will forward guidance that provides direction in a multitude of areas connected to the end of the year and all summer programming in both District communication and from your child's school.

Food Delivery

The District continues to distribute food to residents in Delran Township. Below is the distribution information:

- Dates: Every Wednesday
- Locations: Hunters Glen; Delran Middle School; Delran High School
- Time: 11:00am

Due to the increasing temperatures as the calendar moves through the middle of May, I write to advise that May 20, 2020 will be the last day we will utilize Hunters Glen as a meal distribution site. We have refrigerated trucks that allow us to appropriately maintain the food and milk at the middle school and high school.

Please reach out to us at your convenience should you have a need. We are here to serve!

Sincerely,

Brian Brotschul, Ed. D.
Superintendent of Schools
