

School Level Reentry Operations (Millbridge)

- An optional synchronous morning meeting will be held daily.
- Students who are unable to attend the synchronous opportunities will NOT be penalized.
- All students will be given the opportunity to receive live instruction via Google Meet in reading once a week and writing once a week. Depending on student need this may be 1:1 or small group. Teachers will have regular office hours scheduled to be able to support individual students and assist parents and guardians throughout the week, with an emphasis on supporting subjects that do not have live instruction offered.
- Students that receive Basic Skills, Remedial Reading, ESL support and Special Education services will receive additional live instruction opportunities.
- Special area classes will be offered in cycles and will offer one live small group opportunity weekly.
- Live instruction opportunities and office hours will be available at designated times between 9:00-3:35.

School Level Reentry Operations (Millbridge)
